GORDON LEE'S PAGE

MANY thanks from myself and the playing staff, for all the time and effort our supporters have spent painting at Deepdale. The ground looks in superb condition and we now aim to repay all the hard work with some good results on the field.

I was sad to see Stephen Doyle, John Anderson and Jimmy Bell leave the Club at the end of last term, they had each played their part in keeping North End in the Third Division but, alas, this was another tragedy of the tough financial situation.

The Lancashire Cup Competition gives us this afternoons fixture against Bolton and two away games at Blackburn and Blackpool. I'm looking for a good performance against all three sides, but I see the main aim of this competition being match practice and the getting together of a good routine. Although it's always nice to win a trophy, it is very difficult pre League season to throw everything into this type of competition, especially with a small staff who we need fit and injury free for the big kick-off on 28th August against Millwall.

In signing off this afternoon, I must say I am extremely pleased that Alex Bruce is staying at Deepdale and has been granted a Testimonial season this year. Alex has been loyal to North End when he could have maybe gone elsewhere for greater financial reward. I very much hope that this season turns out to be a good year for both Alex and the Club.

Best Wishes
Gordon Lee

FOCUS ON OUR

BOLTON WANDERERS

THIS Lancashire Cup pipe-opener to the new season gives newly appointed player-manager JOHN McGOVERN, that much-travelled and highly respected protégé of Brian Clough, the chance to assess the prospects of a side which just managed to avoid tumbling into Division Three at the end of last season.

Wanderers are of course, like ourselves, one of the twelve original members of the Football League and they were in fact only the second club to visit Deepdale in a Football League match when they came here in September 1888 and went away after a 3-1 defeat. They have been here many times since then and have not always been unsuccessful.

They have won a number of major honours too whilst spending a total of 61 seasons in Division One. The nearest they came to a Football League Championship was in 1891/2 when finishing third they have won the F.A. Cup four times in all including three wins in the twenties. The legendary DICK PYM was in goal in all three including that epic first-ever Wembley final in 1923. By the time they took the trophy again in 1958 NAT LOFTHOUSE was leading their attack and it was his robust approach to goal-getting that was the major factor in their 2-0 win over Munich-ravaged Manchester United.

Over the years they have often been involved in promotion and relegation battles and this is, in fact, their eighth spell in Division Two. They enjoyed their longest unbroken spell in Division One either side of the Second World War from 1935 to 1964, but it was soon after this that they slipped to Division Three for the first time ever in 1971.

They stayed there just two seasons and after steady progress during the seventies they won

back their First Division place in 1978. They stayed up just two seasons and since going down again have had to fight for Second Division survival in each of the last two seasons. In 1980/1 wins here and at Cambridge in the last month saw them to safety while last season they began with four successive defeats and ended up just two points clear of relegation. Their away form was particularly disastrous with a total of 15 defeats in 21 games culminating in a 7-1 hammering at Q.P.R. at the beginning of May. Then, however, wins over Derby and Sheffield Wednesday at Burnden Park in the space of five days lifted them clear of Cardiff and Wrexham and kept them up.

THIS SEASON

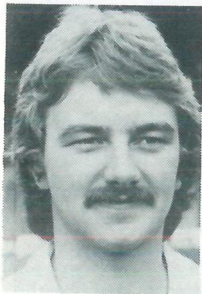

Close-season departures have included much-travelled Alan Gowling and long-standing central defenders Paul Jones (who has joined Crystal Palace) and midfielder Len Cantello. Although there has been no news up to the time of writing of any major signings John McGovern still has the potential around which to build a new Wanderers. Goalkeeper JIM McDONAGH, the Eire international who returned from Everton last season, was voted Player of the Season. STEVE WHITWORTH, an England man in his Leicester days, was a key defensive figure after moving from Sunderland and PETER REID after so much bad luck with injury still looked an outstanding midfielder when fully fit. TONY HENRY (ex-Manchester City) is another more than useful engine-room man and if further scoring power can be found to support CHRIS THOMPSON (leading scorer in his first full season) then Wanderers could be on their way again.

VISITORS

Left

Tony Henry (Full Back/Mid Field) signed for £125,000 from Manchester City. Tony was one of the unsung heroes of Manchester City's revival last season, he came on as substitute in Manchester City F.A. Cup Final appearance in 1981. Versatile player who is bound to be a useful acquisition to the Club.

Right

Chris Thompson (Striker/Mid Field). A speedy attacker with plenty of skill. Chris joined the Wanderers from school. He became an apprentice and then went on to sign full professional forms in July 1977. Has represented England at Youth level. He was the Club's leading scorer last season.

THIRTY YEARS AGO

AFTER ending the previous season in seventh position in Division One we kicked off the new campaign with a visit from Liverpool on a glorious August day. The visitors, who had ended the previous season in mid-table, took a first-half lead through JOHN SMITH, but CHARLIE WAYMAN snatched a welcome equaliser after the break. Teams for this game, played on 22nd August, 1952:

PRESTON: Newlands, Cunningham, Walton, Docherty, Marston, Dunn, Finney, Beattie, Wayman, Foster, Morrison.

LIVERPOOL: Ashcroft, Spicer, Lambert, Taylor, Jones, Paisley, Jackson, Baron, Smith, Rowley, Liddell.

Attendance 38,000.

Today's visitors Bolton beat Derby 2-0 in another Division One game with DOUG HOLDEN and BOBBY LANGTON on the mark, while the day's biggest win went to Norwich, who beat Aldershot 5-0 in Division Three (South).

TWENTY YEARS AGO

AFTER ending 1961/2 in mid-table in Division Two, we kicked off on 18th August, 1962 with a visit from Norwich, who after many years in Division Three had just about established themselves in the Second Division. In a lively game ALEX DAWSON gave us a first-half lead, but though ALAN SPAVIN got another after the break the Canaries earned a point with goals from OLLIE BURTON and GERRY MANNION. Teams:

PRESTON: Kelly, Wilson R, Ross, Barber, Smith, Lapot, Wilson D, Biggs, Dawson, Spavin, Thompson.

NORWICH: Kennon, Ashman, Staton, Burton, Butler, Bell, Mannion, Allcock, Hill, Oliver, Miller.

Bolton picked up a First Division point in a 1-1 draw at Hillsborough, WYN DAVIES getting their goal while Wolves trounced Manchester City 8-1. Newcastle shared in an exciting 4-4 draw at Cardiff while two goals by BRIAN CLOUGH helped Sunderland to a 3-1 win over Middlesbrough.

TEN YEARS AGO

IN a season starting rather earlier than the present one we found ourselves celebrating our narrow escape from relegation with a visit from Aston Villa, just up from Division Three.

A second-half goal from WILLIE ANDERSON settled the issue in Villa's favour, leaving manager Alan Ball with plenty to think about as he strove to assemble a winning team. Teams:

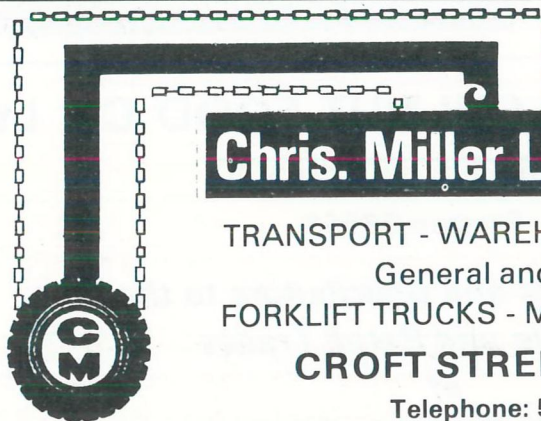

PRESTON: Kelly, McMahon, McNab, Bird, Hawkins, Connor, Young, Lamb, McIlmoyle, Williams, Heppolette.

ASTON VILLA: Cumbes, Wright, Aitken, Rioch, Nicholl, Ross, Graydon, McMahon, Lockhead, Vowden, Anderson.

Attendance 17,371.

Bolton, who had failed to escape from their first-ever season in Division Three, made a good start to the new campaign with a 3-0 win over Bournemouth, JOHN BYROM netting twice.

It was an unlucky day for First Division runners-up Leeds, both Mick Jones and David Harvey being injured in the course of a 4-0 defeat at Stamford Bridge. In an explosive match at Anfield LARRY LLOYD and Manchester City's WYN DAVIES were both sent off as the Reds ran out 2-0 winners.

LANCASHIRE COUNTY CUP

Sponsored by
ISLE OF MAN TOURIST BOARD

THE clubs competing this season in the Lancashire County Cup Competition, are playing for what must be one of the most handsome trophies in existence today.

The Lancashire Football Association Challenge Cup Trophy was first competed for in season 1879-80. The final was between Darwen F.C. and Blackburn Rovers and as many as 9,000 spectators witnessed a game in which Darwen were the victors, winning by three goals to nil, incidentally, the gate receipts were £167.

The Trophy originally cost £160, its value today would be many times that amount.

The two most successful clubs in the competition have been Burnley and Blackburn Rovers, who have both won the Trophy on twelve occasions, the last holder being Manchester City in season 1973-74.

North End's Lancashire Cup Final History:

1886/87 Preston 3-0 Bolton at Bolton on 26/3/87 (receipts: £335.11.3d)

1887/88 A rather complicated season! Accrington awarded trophy as the other finalist, Preston did not turn up for the final.

1892/93 Preston 2-0 Bolton at Blackburn on 22/4/93 (receipts £135).

1894/95 Preston 2-0 Everton at Blackburn on 30/3/95 (receipts £226).

1899/1900 Preston 1-0 Burnley at Preston on 17/3/1900 (receipts £146).

1907/08 Oldham 2-0 Preston at Manchester City on 25/11/07 (receipts £200)

(Records by the Football Association of Statisticians).

WHEN the North End players returned from their summer vacation, they were not only greeted by a newly painted ground and dressing rooms, but the most fantastic summer weather everyone hopes for.

As you can see from the photographs, it was shirt sleeves and in some cases shirtless as Manager Gordon Lee and his Assistant Manager Geoff Nulty put the boys through their paces.

IT was 30th April, 1960 v Luton when Tom Finney last kicked a ball for Preston, yet he is still adored by the fans as if he was a star of today. It is both remarkable and unfortunate, latterly for the Club's present playing staff who see Finney as a constant reminder of what the townsfolk really expect.

According to one former manager, Harry Catterick, even the young fans have been brain-washed by those who remember and keep harping back to the days that cannot be recaptured without a lot of hard work and patience.

As Finney walked out at Hampden Park before this summer's Scotland v England match, I am sure those who have been watching Preston for many years found the memories of Finney dancing down the wing far more vivid than the dramatic events of last season. But hold on a minute. Is that really fair? Of course not. Nowhere in the North West, perhaps the country, are supporters more guilty of clinging onto memories when they should be looking to the future.

Although I question the execution of certain events carried out by the Club over the last 12 months, the appointment of Gordon Lee was a masterstroke.

If ever a manager was designed to pick up a club by its bootlaces and get results it's Lee; something I remember saying the day he got the job, before lifting the team off the bottom of Division Three and, at one stage, to within three victories of those clubs which eventually gained promotion.

It's horses for courses in football management. Men who win League Championships might be

lost at a club whose immediate aims are far less ambitious and whose resources insist on a different type of control altogether.

So my message to the people of Preston is get behind the team and support Gordon Lee's methods. He is undoubtedly the man for the job and a more valuable figure at Deepdale in these desperately hard times for football than any one player - even a legend such as Tom Finney.

PROFILE - ELTON WELSBY

JOINED Granada Television in January 1978 as a sports researcher and made his first screen appearance on Granada Reports. He became a Kick-Off presenter at the start of the 1978-79 football season, later hosting the Kick-Off Match, and Granada's first excursion into Saturday night football, Match Night.

Before coming into television, Elton was Sports Editor at Radio City, Merseyside's commercial station. During that time he commented on the European Cup Final and the FA Cup, League Cup and UEFA Cup finals. In 1975 he was the first independent local radio reporter to work with 'World of Sport', now a regular link-up.

Born in St. Helens on 28 May 1951, Elton is married with one son and lives on the Wirral. He is interested in all sports and enjoys playing golf and snooker.

JUNIOR ACTION

News from North End Sports Area

THE weekend coaching courses have continued throughout the summer, but attendances have obviously been affected by holidays. Congratulations to Douglas Johnson, Scott Forsyth, Michael Butler and Clive Martland who all passed the Gold Award in the Coca-Cola Super Skills Scheme - bringing the total number of boys to achieve this top standard to eleven.

You may remember that Gareth Knowles and Dougie Gornall represented Preston in a juggling skills competition at the F.A. Cup Semi-Final at Villa Park. Both boys gave creditable displays, but the standard was extremely high and neither boy qualified for the Final at Wembley. Prior to the opening home League fixture against Millwall, it is hoped to arrange another demonstration of juggling skills by some of the youngsters.

Going back to the coaching courses, there are vacancies on Friday evenings (6-8 p.m.) age group 10-13 years, and on Sunday mornings (10 a.m. - 12 noon) age group 6-11. If you wish to improve your soccer skills, phone Peter Woods on Preston 797100.

SCHOOLS CORNER

WITH a new season upon us, everyone involved with Preston Schools F.A., officials and players, are all keyed up straining at the bit. The marvellous thing about the game is that at this stage, everyone is equal, there are no winners or losers and every player is firmly convinced that he will win every match, every cup and every medal. It is our wish

that as these hopes or fantasies disappear, sometimes as early as the half-time whistle of the first game, we will become that bit more philosophical and endeavour to enjoy those other aspects of the game which are equally valuable; losing with dignity; developing our social and individual skills; appreciating skill in others, particularly in opponents; and winning with humility. If all the players or teams who lost were to give up playing, the winners would finish up with having no one to play.

Preston Schools F.A. begin their run up to the competitions with early friendlies against Liverpool Schools F.A. (Under 15's) and Hyndburn Schools F.A. (Under 15's and Under 14's). The latter games will take place at William Temple H.S. Kick-off approx 4-30 p.m. on Thursday, 2nd September and all spectators are welcomed. On the 4th September the two sides will play a local school U-16's and U-15's side at William Temple H.S. Kick-off 10-00 a.m.

For the first time for three years Preston have a home fixture in the English Schools F.A. Gillette Inter-Association Trophy and play St. Helens on 2nd or 9th October. Anyone wishing to provide refreshments for the opponents or even a match ball should contact Mr. Clegg at Preston 745118. In the same round South Ribble travel to Bolton, and Leyland/Chorley play Wirral. If Preston and South Ribble are successful they will meet each other in Round Three.

YOUR MATCH DAY PROGRAMME

HOPE you like North End's new programme format for the coming season. Each week will contain regular articles such as visitors page, supporters notes, junior soccer, teams line-ups and a current affairs piece from Kick Off presenters Elton Welsby or Martin Tyler. There will be a new-look player portrait which we hope to introduce for the first League game against Millwall, plus a supporters idea from last season 'Where are they now' on North End's past players. We would like a regular letters page, but for this we need your co-operation so any ideas, information, programmes you might want to sell or buy, please let us know and we will publish as soon as possible.

Your programme does have a fair amount of advertising content, which is needed to cover the cost of printing and publishing, so where possible if you can purchase any goods from our advertisers please mention you have seen their advertisement in the programme this will help us to get their much appreciated support once again.
